News

We have set up a closed group on facebook, „isppm members forum“:
<https://www.facebook.com/groups/1524322761189091/>

This group is a communication space for isppm members, for networking and mutual support in all issues, maybe also for intervision...let's see what we are going to create together!

The Winter issue of the **Journal Somatic Psychotherapy Today** is on **Prenatal and Perinatal Psychology and Health**.

The online version can be read here: [Somatic](#)

Other recent posts from our fields and network are always available on our [Facebook-page](#).
